New Member Application and Agreement to the Auction Buyers Club-

I agree to the following terms and conditions. The Annual Membership fee of $150 applies only to the yearly Membership dues. Any discounts only apply to those properties scheduled for the current or past monthly Tax or Foreclosure Auctions. Any other non foreclosure properties that are ordered will still be charged the regular non-member prices, such as buying from the owner, etc. The Membership will expire 1 year from the date you joined. Calling to verify we received your email order is recommended, especially for RUSH orders. A Cancellation fee will be assessed on any orders that are canceled by the client to cover our expenses. Additional charges may be added for difficult or old cases which may take alot more time to research thoroughly.
